

JLTacademy

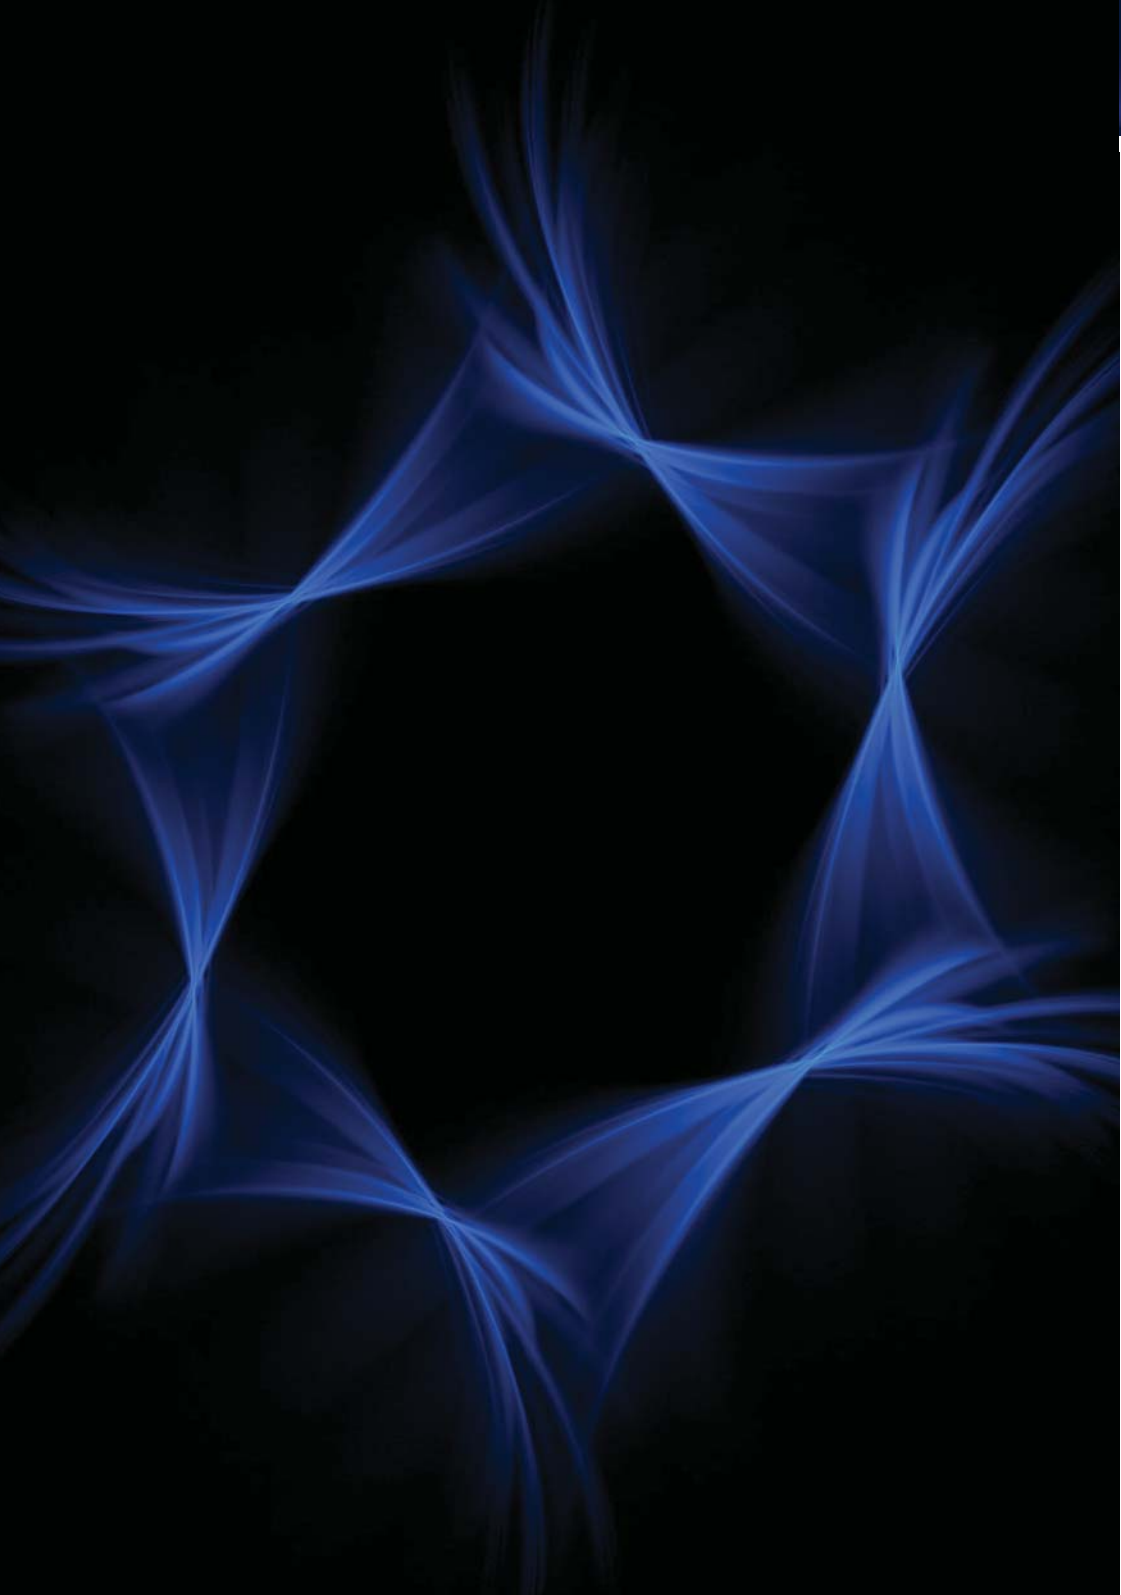

PROSPECTUS 2012

Insurance and Risk Management
Training Course

GLOBAL RISK SOLUTIONS

14-16 MAY 2012 – LONDON

INTRODUCTION TO THE JLTacademy

The **JLTacademy** offers delegates the opportunity to gain further knowledge, skills and experience in their chosen insurance field. Our structure encourages the sharing of knowledge and learning. This translates into real life and practical learning examples for our delegates and encourages them to achieve not only their own career goals but the goals of their organisation.

We deliver first class training through JLT's insurance and industry specialists. Tailoring our courses to specific industry practices and concentrating on practical training over theoretical based learning, means we can concentrate on building the specific skills our delegates require to better manage their day-to-day tasks.

JLT has many years of experience in delivering insurance and risk management training and our success is measured by the high standards we set both our specialists and delegates. We look forward to working with you and welcoming you to the **JLTacademy**.

LOCATION:

JLT London Office, 6 Crutched Friars, London, EC3N 2PH

WHO SHOULD ATTEND?

The course has been designed for delegates with less than five years risk and insurance experience or those that have recently moved to the industry sector and are looking for a deeper understanding of all areas of Global Risk Solutions insurance.
